ORDER

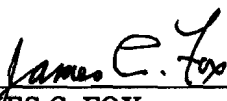

Charles Edward Philson's Motion to Alter or Amend Order Denying § 2255 Motion [DE-80] is DENIED.

Having rendered the order [DE-78] denying Philson's § 2255 Motion [DE-55] for Relief from Judgment, the undersigned is of the opinion that Philson has failed to make a substantial showing of the denial of a constitutional right, and that no reasonable jurist would find this court's assessment of Philson's constitutional claims debatable.

Therefore, it is ORDERED that Charles Edward Philson's request for a Certificate of Appealability [DE-80] also is DENIED.

SO ORDERED.

This, the 24th day of August, 2010.

JAMES C. FOX
Senior United States District Judge
